

Clinical Trials Hub

Practical resources for every
stage of your clinical trial

clinicaltrialshub.htq.org.au

My Clinical Trial Planner

- **Interactive task lists**

Add, rearrange, edit and delete tasks for each step of your trial and add useful notes for collaborators.

- **Add links**

Link to cloud documents from programs like Google Drive or Dropbox to keep your trial organised.

- **Track your progress**

Monitor progress across multiple trials, with indicators for ongoing and completed steps.

- **Share and collaborate**

Grant access to colleagues to view your progress and make changes.

Start planning your clinical trial today!
